

Live-Action Role-Playing and Wargaming

Archaea is an independent game system complete with padded-weapon combat, a skill-based point-based character creation, a full magic system with a broad list of spells and effects, a rich mythos full of mysticism, and a comprehensive and continuous game world and campaign-style adventuring. The Archaea sourcebook is in its 5th edition.

A new campaign is underway and the MD/DC/VA group invites all serious fantasy role-players and live-action wargamers to join the adventure.
